

Bridal Registry Values

Take a different path and register for
Sunshine & Sand vs. Pots and Pans...

When you register with us your guests can invest in your honeymoon!
AND....just for doing so...We'll invest with you too!

When you register with us we'll give you a "**Bonus**" We'll add additional dollar value to your dream Honeymoon package.

We will contribute an extra **5%** of the total amount given by your guests towards your honeymoon. i.e: If your guests give you a total of \$100 towards your registry, you'll earn an extra five dollars. \$105.00 will be credited to your account to use towards achieving your dream destination of choice! It's that simple, and you can be on your way... Now you can take that luxury honeymoon for less!

Why Are Honeymoon Registries So Popular?

- It's a great idea if you already have most of the traditional household items, but still need wedding gift ideas for friends and family.
- If you're paying for your own wedding and honeymoon this is a great way to guarantee you'll get that luxury honeymoon you've always dreamed about!
- You can be sure to get a gift you know you will love **AND** use.
